I do not know if he is threatening your staff; however, he is concerned about the area and the trash that the encampment brings.

Is this the same business owner that is regularly threatening our staff?

Hello Sarah,

I had a question regarding Paxton / Bradley. The owner of Classic Distributing Co. has asked the council district if it was possible to have both sides of the streets cleaned by sanitation as there are transients from the encampment that hang out in front of his establishment and leave trash / debris. Can sanitation do it or does it have to be street services?

Lastly, I was wondering if you were able to help me out with this Service Request #1-1587462431. The illegal dumping is at [13599 Lexicon Pl](#) which is a dead end but the closest address that 311 allowed me to use was [13501 Lexicon Pl](#).

Thank you,
